### CoreLogic Database Update

#### Summary of Changes:

- 5 RFIs closed for the month of December
- 4 new item operations added for the January update

#### Database Updates:

- Updated Felt items to allow for manual waste input.

## RFI's closed during December 2017

ID	Title	Content	Comments
5616	Roof Cornices	Client would like Roof Cornices added to the database.	Corelogic will add Roof Cornices (EA) for asphalt roofing. We will also add a Cornice Strip item per LF. These items should be completed for the February 2018 database update.
5617	Contents	Could you please add a synonym to the database for Content Manipulation? Many users are used to this terminology.	Corelogic will add a synonym for Content Manipulation to the Contents, Move & Protect line item. This will be updated for the January 2018 database update.
5618	Paint	Could you add a paint option for the flashing, plumbing vent (pipe jack) line item?	Corelogic will add a paint option for the flashing, plumbing vent line item under the PNT-Exterior. This will be in the February 2018 database update.
5619	Lumber Only	Could you add more lumber only choices to the database?	Corelogic will add more lumber only items to the FRM-Lumber category. Currently there are lumber only items in the TMP category but those will be moved along with expanding the list to include treated options as well. These items should be available for the March 2018 database update.

5620	Roof Pricing	<p>Please review pricing for roof items in zip 40484. The pricing seems high for shingles, box vents, and the flashing, plumbing vent line item.</p>	<p>Corelogic will review those items for the 40484 area of Kentucky. We will review the material pricing for 3-tab and laminated shingles as well as box vents and flashing, plumbing vents. We will also review the labor rates for that area. The updates for this area should be available for the March 2018 database update.</p>
