

Release Notes

March 2019

CoreLogic Database Update

Summary of Changes:

- 2 RFIs closed for the month of February
- For March, standard material and labor price updates were included

RFI's closed during February 2019

ID	Title	Content	Comments
5806	Window Jamb	Would it be possible to add the item MDF window jamb for manufactured homes?	CoreLogic will add an MDF grade window jamb to the database. This should be available for the June database update.
5810	Ribbed Metal Roof	We would like to know if it would be possible to add the item "Roofing Metal, Ribbed, 29ga in the category Metal Roofing?	A similar item already exists in the Metal Structures category labeled Wall/Roof Panel, Ribbed, 29 Gauge. Corelogic can add a version of this item to the metal roofing category but it's essentially the same item.
